**MEMORANDUM FOR:** Mr. [REDACTED]  
Special Assistant to AD/CR

25X1A9a

**SUBJECT:** OBI Inputs and Outputs

1. Attached (Tab A) prepared in response to your telephone request of yesterday, shows (paragraph 1) total receipts in OBI of draft sections from CIA, DIA, and other agencies as of January, February, and March 1963. Paragraph 2 shows total production accumulated at the end of these three months.

2. You said you were interested in DD/I inputs and outputs. All of the agencies producing for us except CIA are obviously outside of the DD/I area. The CIA totals contain four sections produced by DD/P; all of the others were produced by DD/I components.
